Florida Ever Green™ or USA Green™

100% Renewable Energy

Signing up for Florida Ever Green™ or USA Green™ is an easy, affordable way to:

- **Clear the air - offsetting emissions from regular electricity production that contribute to global warming, acid rain, smog and human health concerns**
- **Conserve limited nonrenewable energy sources such as coal, oil and natural gas**
- **Support renewable energy generators using the sun, wind and bioenergy sources to make electricity**
- **Choose a diverse blend of low-impact, renewable and sustainable energy**
- **Move toward energy independence**
- **Benefit the domestic economy**
